

Lancaster, OH

February 15, 2022

7:30 P.M.

Meeting of the Board of Directors of the Fairfield County Agricultural Society with President Barb Lamp, presiding. Other directors present were: Regina Bresler, David Keller, Barb Lamp, Doug Leith, Sean Malone, Jim Marcinko, Chuck Miller, Phillip Miller, Cheryl Ricketts, Charlie Schultz, Mark Sharp, Doug Shaw, Connie Smith, and Greg Swinehart.

Nancy Myers and Lynn Landis were excused.

Roll Call – Quorum.

Also present was Sara Peters – Secretary, Andrew Yost – Concession Manager, Sondra McCabe – Assistant Secretary, Travis Snyder, Greg Coulter, Stan Smith, Mark Francis, Megan Francis, Kim Westhoven, Dustin Westhoven, John Hablizel, C. Scott Anderson, Debbie Leith, Susan Malone, Gail Ellinger, Cindy Gilfillen, Cori Kandel-Galloway and Leslie Cooksey.

Jim Marcinko gave the Board an update on Bill Danner – Ground Superintendent. He said that Travis has been doing a great job. Barb Lamp thanked Travis for all his hard work.

**Sec. Report:**

Sec. Peters

Motion by Chuck Miller, second by Doug Shaw to approve the minutes for the January 18, 2022 meeting. Motion carried. Cheryl Ricketts abstained.

**Financial Report:**

Treas. Marcinko

Junior Fair –

C. Miller & P. Miller

- A. Market Beef Tagging, Weighing and DNA Sample Collection for 2022. Market Beef weigh in on March 12, 2022 by appointment at the Fairfield Cattle Company. Located at 3443 Cincinnati-Zanesville Rd., Lancaster, OH 43130.
- B. Other Jr. Fair Proposals. See attached handouts.
  - a. Lambs –  
Motion by Chuck Miller, second by Phillip Miller to accept the proposed changes to the Lamb MQP Contest Scoring as presented. Motion carried. 0-abstained.
  - b. Premier Exhibitors-  
Motion by Chuck Miller, second by Phillip Miller to approve adding Horses and Llamas/Alpacas to the Premier Exhibitor. Motion carried. 0-abstained.
  - c. Rabbits –  
Proposed changes to the Rabbits:
    - 1. Market Rabbit Identification/ Home Grown Market Rabbit Tagging- The proposal is that a maximum of 6 market rabbits are permitted to be tagged by each exhibitor.
    - 2. Market Rabbit Classes: Continue with two divisions and add additional notes exhibitors can show a maximum of 2 pairs of market rabbits (in each of the two divisions or 2 in the roaster division).
    - 3. Under/Over Market Rabbits- Proposed change includes that all under/over market rabbit pairs will be sent home. This includes any pair weighing less than 7.00 pounds or over 15.00 pounds. Exhibitors with under/over market rabbits will receive a B grade.
    - 4. General Rule #6 Rabbits – The proposed change is to add the statement of “Timothy hay may be given if in the feed dish (for nutrition and dietary needs).”
    - 5. Additional Heat Ribbons for Rabbit Breeding- Proposed change will increase the number of ribbons to cover 40 total heats. Additionally, add 3<sup>rd</sup> Place heat winner ribbon.
    - 6. Additional 3<sup>rd</sup> Place Rosettes for Market Classes – The proposed change would increase the number of rosettes to allow for 55 heats of Market Rabbits (includes non-Home Grown and Home-Grown

heats). Add 3<sup>rd</sup> place rosettes as heats have been placed up 3<sup>rd</sup> place to be considered for sale order.

7. Additional Rosettes for Junior Rabbit (Breeding Show): The Rabbit committee proposes adding additional 10 rosettes sponsored by KKEZ.

Motion by Chuck Miller, second by Phillip Miller to approve changes all the proposed changes to the Rabbits. Motion carried. 0-abstained.

d. Poultry-

Proposed Changes to Poultry:

1. Check-In Times and Procedures – Proposed changes to arrival time that would remove the statement “... and must arrive by 4:30 p.m.” and add “non-market poultry must arrive by 1:00 p.m. Market Poultry must arrive by 4:00 p.m.”
2. Check-In Times and Procedures – Under Check-In, the committee proposes adding ... 11:00 am to 1:00 pm in the breeding barn. All non-market poultry, except turkey, must present their birds during check-in.
3. Weigh-In- Proposed change in weigh-in time for Market Chickens and Market Ducks to only 2:30 to 4:00 p.m. Saturday, #50 Show Arena.
4. Pullorum Testing Requirements – Change the wording to “All chickens and turkeys exhibited at the fair must present proof of origination from a Pullorum-free hatchery or be blood tested upon arrival. Pullorum testing will be available for chickens only from 9:00 am to 11:00 am Saturday before the fair in the breeding barn. The rapid test provided at the fair does not work for turkeys, therefore, turkeys must provide hatchery paperwork or be tested by a vet prior to arrival.
5. Delete Special Rule #6 and add “Hatchery Paperwork: Photos or scans of hatchery paperwork for market poultry only must be e-mailed to (e-mailed address TBD) on or before October 1. Hatchery paperwork must show purchase and/or hatch date and the Pullorum-free hatchery insignia. The email must include the names of all exhibitors represented by the attached paperwork. Hatchery paperwork for non-market poultry will continue to be checked during check-in. For those purchasing from a reseller such as Tractor Supply or Rural King, receipts from the reseller do not meet the ODA requirements. The reseller should be able to provide you with the name and contact information for the hatchery where the birds originated, and you must contact that original hatchery to obtain the proper paperwork.
6. Release Time – The poultry committee would like to see the release time for poultry and rabbits align or at least overlapping. They would like to suggest staying with the 3-7 time frame for both poultry and rabbit.

7. Other items – Purchase additional breeding poultry cages and stanchions, purchase new, larger water containers for market birds, move show and exhibitor meeting back to the #50 Show Arena and House breeding poultry in the #15 barn in lieu of the #20 barn.

Motion by Chuck Miller, second by Phillip Miller to approve the changes for Poultry as proposed. Motion carried. 0-abstained.

e. Additional Swine Proposals:

2. Proposed change to tagging- 2a. Each exhibitor may tag a total of four hogs. At the time of weigh-in for the carcass or live show, an exhibitor will select any hog tagged within the “immediate family.” No tagging will be performed after the designated tag-in day except as listed in Rule 23 of the General Rules. 2b. All market hogs must be tagged in and will be photographed at the Fairfield County Fairgrounds on July 16<sup>th</sup> from 7:00 a.m. -12:00 p.m. Hogs will remain on the trailer during tag-in.
6. Ractopamine and Drug-Free – The proposed rule change would remove “In addition, all hogs are required to be Ractopamine free and exhibitors are required to submit an affidavit online verifying this prior to fair.
7. Proposed changes for classes- The market hog classes will be divided by barrows and gilts and then by weight with up to 30 total classes. Award changes- There will no longer be 4 trophies for Grand/Reserve Gilt and Grand/Reserve Barrow. Adding 3 banners for Third, Fourth and Fifth Overall Market Hogs.

Motion by Chuck Miller, second by Phillip Miller to approve the Swine changes as proposed. Chuck Miller withdrawal his motion.

Connie Smith and Doug Leith shared their concerns with family tagging being for just hogs. Other species will want to do this, and it will be too late. Doug Leith feels that we should wait until after the fair to decide on family tagging. Greg Grube and Dustin Westhoven shared their opinion on family tagging and how it can be beneficial to exhibitors based on prior experiences. Further discussion took place.

Motion by Doug Leith, second by Cheryl Ricketts approve the proposed Swine changes and give all the species the choice to include Family Tagging for 2022. Motion carried. 0-abstained.

- C. We will have interviews for Beef Superintendent and Jr. Fair Awards Coordinator on February 26 at 8:30 a.m.
- D. Leslie Cooksey stated that the Board needs to decide on when the child needs to declare an animal. The directors discussed this and decided to wait. No further action was taken.
- E. Chuck Miller said the Junior Fair Board could not come to an agreement on the leasing of breeding animals. Chuck Miller said they were not planning on adding that for 2022.

Entertainment Report -

Swinehart

- A. Truck Pull Rules will be changing.
- B. Contract for the Kiddie Pedal Pull has been signed and returned.

Sale Committee Report-

Malone

- A. Nothing to report from Sale Committee.
- B. Connie Smith has talked to a couple of students that are going to school for computer programming about inputting the new program.
- C. Sean Malone said that he was going to buy 2 - \$750 programs. If open class would bump up to over 3,000 entries, we will just pay the difference.

#22 Restroom Report –

- A. Regina Bresler shared an updated drawing that included showers.
- B. Cheryl Ricketts reminded the Board that the price of supplies is constantly going up.
- C. Summer events will have the option to use Art Hall restrooms or rent portable restrooms.
- D. Motion by Cheryl Ricketts, second by Connie Smith to move forward with the #22 Restroom remodel and ask Steve Eversole to finalize the number of stalls/toilets needed. Motion carried. 0-abstained.

Grant Committee Report –

- A. See attached handout.
- B. Cheryl Ricketts discussed with the Board changes to different categories that will be brought up to the Commissioners. She is trying to get the categories to be as broad as possible.

**Fair Manager's Report:**

Marcinko

- A. Carrie Hacker will not be running the Dining Hall for 2022. The replacement will be Tony & Caroline Craig of the Falcon's Nest. The menu will be similar in years past.
- B. We rehired Kruse Reid to help Travis with the grounds. Ray Stoneburner has been helping take apart and repair the equipment.
- C. Bill has been in constant contact with either Jim or Travis making sure things are getting done. Doug Leith says that we need to do whatever we can to help Bill & Mandy out when he gets home.

**Old Business:**

- A. Discussion on Russell Alt Award & Dave Benson Concession Award.
  - a. Motion by Chuck Miller, second by Doug Shaw to nominate William Danner for the Russell Alt Award. Motion carried. 0-abstained.

**New Business:**

- A. District 3,4 & 6 meeting on Sun., April 10, 2022, in Washington Courthouse at 1:00 P.M.
- B. Directors work on changes for the 2022 Fair Book. We need them by the March meeting.
- C. Other business for good of the Society.
  - a. Jim Marcinko handed out the 2022 Budget. It will be discussed at the March meeting.

b. Motion by Greg Swinehart, second by Chuck Miller to approve having 2022 Fairbook. Motion carried. 0-abstained.

i. They will be similar in size. The books will be 1000 glued bound and 25 spiral bound for office staff. The total cost will be \$3,200.

D. Leasing Committee for Livestock – President Lamp will be looking for volunteers at the March meeting to look into this for next year.

E. Camping Committee – President Lamp will be looking for volunteers at the March meeting.

Motion by Cheryl Ricketts, second by Sean Malone to go into an executive session at 9:07 p.m. to discuss personnel. Motion carried. 0-abstained.

Motion by Regina Bresler, second by Doug Shaw to come out of the executive session at 9:49 p.m. Motion carried. 0-abstained.

Motion by David Keller, second by Regina Bresler to adjourn meeting at 9:50 p.m.. Motion carried. 0-abstained.

## Fairfield County Market Beef Tagging, Weighing, and DNA Sample Collection Procedure for 2022

The time for Fairfield County's market beef tagging and weigh-in is upon us. Based on the success of the tagging and weigh-in process that was utilized last year, this year will be conducted in a similar fashion with only a few modifications.

Youth will be required to tag their own market beef animals with a visual tag and must submit a hair follicle DNA sample prior to, or at weigh-in which will begin at 8:30 a.m. on March 12, 2022. Due to a Nationwide shortage of 840 RFID tags, EID will not be required this year.

In advance of March 12, families with market beef projects will also be required to reserve weigh-in time, and only those directly involved in transporting and weighing-in calves should plan to attend . . . please, no spectators! The goal is to reduce congregation at weigh-in and minimize the transfer of paperwork. Specifically, the step-by-step process includes . . .

- 1) The deadline for ownership and possession of a market beef project in Fairfield County remains March 1.
- 2) Youth/families planning to weigh/tag-in market steers and market heifers for the 2022 Fair must submit a request for their tags on-line by completing the [survey linked here](#) before March 2, 2022. Complete only one request survey per family.
- 3) When requesting your tags on-line you will be asked for the first date you would like to pick up your tags and the necessary tagger at the Sr. Fair office. Please order your tags at least two working days prior to your preferred date to pick them up. Senior Fair staff will then contact you to make an appointment for pick up when your tags and taggers are ready. Please be reminded that the Sr. Fair office is typically open M-F from 8:30 a.m. until Noon.
- 4) Tag applicators may be borrowed from the Sr. Fair Office at the time tags are picked up and must be returned in a timely fashion at a time agreed upon by Sr. Fair Staff at the time they are received. Exhibitors needing assistance in tagging should contact their 4-H/FFA advisor for assistance.
- 5) Youth/families are expected to apply the required tags in the calf's ear prior to weigh/tag-in on March 12, 2022 and submit their individual exhibitor, calf tagging, housing and County Bred, Born & Raised information on a [second survey linked here](#) before March 10, at 12 noon.

NOTE: Those participating in the Born, Bred, and Raised (B, B & R) in Fairfield County show may upload their breeder signed B, B & R form when submitting their individual calf information on-line in the second form found linked above, or must turn in their signed B, B & R in an envelope on weigh in day. A copy of the [B, B & R form is linked here](#). Be certain all information is complete and your breeder is a member of the Fairfield County Cattlemen's Association (FCCA). FCCA membership details may be found [linked here](#).

- 6) In the second survey linked above each family will also select the time they will arrive with their calf(s) to be weighed and checked in on March 12. All tagged calves must be weighed in on March 12, 2022, at the Fairfield Cattle Company facility located at 3443 Cincinnati-Zanesville Road (S.R. 22), Lancaster.
- 7) By the time of tagging, youth/families are also expected to submit a hair follicle DNA sample from each calf they tag-in and these DNA samples may be submitted to the Sr. Fair Office at the same time as

the taggers. Approximately 30 hairs that include the roots – do NOT cut the hair – for each calf must be submitted in a zip lock plastic bag. Include in the bag an index card listing the visual tag number of the calf, the exhibitor’s name, address, and club/chapter. If you’ve not collected hair DNA samples before, see this one minute YouTube for detail on how to collect the hair sample: <https://youtu.be/Upl-09ZOLF0>

8) Any unused tags must be returned to the Sr. Fair Office.

For more information on this tagging and weighing process for your 2022 Fairfield County Fair market beef animals, contact Junior Fair Director Chuck Miller at: [keywest100@att.net](mailto:keywest100@att.net).

- 1. Define Immediate Family in General Rules for the purposes of tagging.**
- "Family" means the immediate family of an exhibitor, including exhibitor's parent, step-parent, foster parent, grandparent, step grandparent, foster grandparent, brother/sister, stepbrother/stepsister, foster brother/foster sister, half-brother/half-sister, son, daughter, step-son, step-daughter, or guardian.
  - *As defined by the Ohio Administrative Code: 901-19-01 Livestock Exhibitions - Definitions (P)*
- 2. Proposed Changed to Tagging - Tabled 1/2/2022 by Lexie Hyme/2nd Kenna Liff/passed.**
- PASSED*
- **2a CURRENT:** Each exhibitor may tag in a total of four hogs. Each exhibitor may choose at their discretion which hogs will be shown in the live or carcass contests, two for the live show, one for the carcass show, and one backup hog. More than one exhibitor from the same "immediate family" may designate the same back-up hog. Maximum amount of tags issued for a family is 16.
  - **2a PROPOSED:** Each exhibitor may tag a total of four hogs. *3rd JAT Mly* At the time of weigh-in for the carcass or live show, an exhibitor will select any hog tagged within the "immediate family". No tagging will be performed after the designated tag-in day except as listed in Rule 23 of the General Rules.
  - **2b PROPOSED:** All market hogs must be tagged in and will be photographed at the Fairfield County Fairgrounds on July 16th from 7:00 a.m. - 12:00 p.m. Hogs will remain on the trailer during tag-in.
- 3. Housing Forms - Amended by Kenna Liff/2nd Kyle Buchwalter/passed. Approved as amended by Kenna Liff/2nd Lexie Hyme/passed.**
- **CURRENT:** Junior Fair Exhibitors housing animal(s) in a location other than the property on which they reside must obtain and file a Livestock Housing Form with the Senior Fair Office. Deadline for filling out this form is the deadline set forth for possession of the animal by the above date. For more specifications, refer to the General Rules.
  - **PROPOSED:** Junior Fair Exhibitors housing animal(s) in a location other than the property on which they reside must obtain and file a Livestock Housing Form with the Senior Fair Office. Forms can be turned in at tagging. ~~Deadline for filling out this form is July 16th and must be turned in the day of tag-in.~~ For more specifications, refer to the General Rules.
- 4. New Rule: Only water may be used, any oil or what appears to be oil or powder will not be permitted. Approved as proposed: Lexie Hyme/2nd Kenna Liff/passed.**
- Same wording as the Ohio State Fair grooming rules.
  - *Clarification to the Ohio Administrative Code: 901-19-33 Livestock Exhibitions - Prohibited Grooming Practices. A mandatory rule.*
    - *The following grooming practices are prohibited in junior market livestock shows unless those grooming practices are permitted under rule 901-19-32 of the Administrative Code:*
      - (A) *Using any substance to enhance or change the color of the livestock, including the livestock's hide or hooves;*
      - (B) *Adding any substance externally to build up, change or alter the shape or conformation of the livestock, including by way of example but not limited to rope, false hair, graphite, hemp, and powders;*

*(C) Pigmented grooming aides or materials; and  
Slick clipping or body shaving of market hogs except on the ears and tails.*

**5. Health Papers - Amended to include all species by Kenna Liff/2nd Kyle**

Buchwalter/passed. Approved as amended by Kenna Liff/2nd Lexie Hyme/passed.

- **CURRENT:** HEALTH PAPERS are not required except for a current and valid Drug Use Notification Form (DUNF). DUNF Forms are to be filled out online before you arrive at fair.
- **PROPOSED:** HEALTH PAPERS are not required except for a current and valid Drug Use Notification Form (DUNF). DUNF Forms are to be filled out online and **not before 3 days of weigh-in. DUNF Forms must be filled out by NOON on the Friday before weigh-in.**

**6. Ractopamine and Drug Free - Tabled by Kenna Liff/2nd Henry Hoisington/passed (pending wording from Chuck Miller from Ohio State Fair).**

- PASSED
- **CURRENT:** Market Hogs and MQP barrows must be free from any/all drugs in their system on Fair weigh-in day. In addition, all hogs are required to be Ractopamine free and exhibitors are required to submit an affidavit on-line verifying this prior to Fair.
  - **PROPOSED:** Market Hogs and MQP barrows must be free from any/all drugs in their system on Fair weigh-in day. ~~In addition, all hogs are required to be Ractopamine free and exhibitors are required to submit an affidavit on-line verifying this prior to Fair.~~

**7. Proposed Changes for Classes: Tabled by Kenna Liff/2nd Henry Hoisington/passed.**

- PASSED
1. **CURRENT:** The Market Hog Show will be a Barrow and Gilt Show with up to 30 classes total overall. The market hogs will be weighed and divided by weight into the classes. Each exhibitor will be allowed to exhibit up to two live market hogs, a barrow and a gilt, 2 barrows, or 2 gilts. All barrows will compete for the Grand and Reserve Champion Barrow and all gilts will compete for the Grand and Reserve Champion Gilt. An Overall Champion and Reserve Champion will be chosen from those four animals. The barrow classes will be divided into three divisions. The gilt classes will also be divided into three divisions. The division winners will compete for the champion in each gender class.
  - **PROPOSED: The market hog classes will be divided by barrows and gilts and then by weight** with up to 30 total classes. If an exhibitor has two animals in the same weight class, they are responsible to find another exhibitor to show one of their animals (see General Rule 4). The barrow classes will be divided into three divisions. The gilt classes will be divided into three divisions. An Overall Grand, Champion, Overall Reserve Champion, Third Overall, Fourth Overall, and Fifth Overall will be chosen from those 12 division champions/reserve champions.
    - **Award changes: There will no longer be 4 trophies for Grand/Reserve Gilt and Grand/Reserve Barrow. Adding 3 banners for Third, Fourth, and Fifth Overall Market Hogs.**

## Proposal Addendum:

### Junior Fair Board Committee (Lexie Hyme, Kenna Liff, Kate Markwood)

#### Questions for the Swine Committee:

1. *Is it necessary to bring pigs in for tagging or is there a more efficient way with pictures?*
  - *Proposal includes photos of hogs at in-person tagging.*
  - *Photos are not completely fool proof (a white pig looks like another white pig).*
  - *Due to past Fairfield County tags not being the same, individuals holding on to tags, and general cheating concerns with tagging of pigs, the committee is proposing having all pigs come to the fairgrounds to be tagged.*
    1. *This takes pressure off advisors to ensure all individuals are tagged at the correct time and puts the responsibility on the exhibitors.*
    2. *This ensures that possession of animals is met, which has been a concern of the committee for the past few years.*
    3. *This certifies that all animals are tagged in time, tags not used are returned and projects are documented and can be verified as needed they have not been swapped during the project (tag-in to weigh-in).*
      1. *Pictures alone are not acceptable, due to the photos sent in in previous years not being verified or managed.*
      2. *Ear notching alone is not acceptable since ear notching heals relatively quickly and could be changed if an exhibitor would swap out an animal.*
    4. *This aligns with other species, such as beef and lambs, having to bring animals in to be tagged and documented as projects.*
    5. *Based on research, other counties in Ohio also have the same process of bringing in hogs to be tagged which creates uniformity across different counties.*
2. *How are you going to keep pigs from contracting diseases at weigh-in in the summer?*
  - *The Swine Committee will take every effort to reduce the spread of disease at an in-person tagging. This includes plastic boots and/or dipping shoes/boots and cleaning taggers in between trailers; allowing a family member to go on the trailer (rather than Swine Committee member) to tag hogs, etc.*
    1. *This is general quality assurance that exhibitors are taught that will be put into practice.*
3. *Are you going to be taking pigs on and off trailers or leaving them on?*
  - *Pigs will not be taken off trailers at tagging.*
4. *How are you going to tag pigs if on a trailer?*
  - *We hope to run 3-5 lines at one time at an in-person tagging event with numerous Swine Committee volunteers tagging on trailers following every step possible to reduce the spread of disease.*
  - *Swine Committee volunteers will be trained to follow the same process for each line.*
5. *Considering heat in mid-July, what is the plan to keep line moving and moving through all trailers quickly to reduce stress on hogs?*
  - *The proposal is to start the tagging day as early as 7am to beat any heat during the day and to end at 11 am. Multiple lines will ensure that trailers are kept moving and we will be able to get all exhibitors in and out in a timely fashion.*

- *This is the same process currently being done with sheep tagging.*
6. *Is there a way to create a waiver for the advisors to sign that they tagged the hog themselves and if it is proven otherwise they can get in trouble?*
    - *Advisors signed off on tagging on behalf of their club/chapter in the past. A lot was expected of advisors in the past to tag at the club/chapter level and we need to move past this process as it was not working.*
  7. *If you are going to get rid of the Overall Barrow and Overall Gilt, why not show them all together? What is the goal with taking away the overall of each sex? They are two different types and kinds. Gilts and Barrows are not judged the same.*
    - *This is the new standard in the show pig industry - to have barrows and gilts show separately and come together to show for a Top 5 overall market hog. While market barrows and gilts are judged the same, as market hogs, it is important for them to show in their respected classes as they are structurally and muscularly built different.*
      1. *This is no different than market heifers being judged in a different class as the market steers and coming in the grand drive to show for top 5 overall against the steer class winners.*
      2. *This will also bring consistency among species to select a Top 5 - as the Beef Committee does.*
    - *We are also trying to make strides to award as many exhibitors as possible for their projects. As it stands today, the Grand Market Hog exhibitor wins 4 awards. Eliminating the Grand/Reserve Barrow and Gilt award allows us to allocate those sponsorships to award more exhibitors.*
    - *Finally, we are trying to retain spectators for the Grand Drive. Currently the Grand Drive is made up of 4 hogs which are typically exhibited by different exhibitors. By expanding the grand drive to select a Top 5 Market hog, we are bringing back 12 hogs to vie for Top 5 Market Hog honors, which sees a potential of having a larger crowd cheering our exhibitors on.*

Proposal from the Lamb Show Committee to adjust LAMB MQP contest scoring

The Lamb MQP (Muscle Quality and Performance) was begun in 2011 in an effort to offer youth the opportunity to participate in a real-world market lamb production contest. The contest scoring was and continues to be designed to reward participants for excelling at two components of market lamb profitability. Those include both producing a carcass that's acceptable to the marketplace and ultimately the consumer, and one that performs and grows at a high level.

You may recall that last year in an effort to place more emphasis on carcass merit you agreed to adjust the scoring to 70% for carcass merit and 30% for performance in this contest. In a further effort to keep the scoring of the contest current and relevant this year we are asking to make some minor adjustments to the carcass portion of the scoring that will a slightly lighter carcass and a higher level.

Based on conversation with the specialist from OSU that scored the lamb carcasses for last year's MQP contest it was suggested that today lamb carcasses should be smaller and also carry a little more rib fat than in the past. In response, we are suggesting the target weight for the optimum lamb carcass in our MQP contest be moved from a range of 60 to 84 pounds down to 55 to 80 pounds and that the optimum backfat be moved to a range of 0.16 to 0.29 inches. These adjustments along with a minor suggested adjustment for ribeye area scoring will allow the carcass scoring for our Lamb MQP to coincide with scoring that is now being used for the Ohio State Fair and most other Ohio lamb carcass contest scoring.

For reference, below is the scoring used since 2011 for the carcass portion of the scoring:

HCW	adj	BF	adj	REA	adj	REA	adj	Quality Grade	
0	-1.2	0.00	-8	0.0	-2.0	2.8	0.3	Prime+	1.8
45	-0.8	0.10	0	2.0	-1.2	2.9	0.4	Prime	1.2
50	-0.5	0.26	-2	2.1	-1.0	3.0	0.5	Prime-	0.8
55	-0.2	0.36	-3	2.2	-0.8	3.1	0.6	Choice+	0.2
60	0	0.46	-5	2.3	-0.6	3.2	0.7	Choice	0
85	-0.8			2.4	-0.4	3.3	0.8	Choice -	-0.5
88	-0.8			2.5	-0.2	3.4	0.9		
91	-1.2			2.6	0.0	3.5	1.0		
				2.7	0.2				

Below is the suggested carcass scoring matrix beginning in 2022:

BF	premium	HCW	premium	REA	rea adj.	Qual Grade	QG adj.
0	-3.00	0	-6	0.00	-2	GD	-8.0
0.1	-1.50	45	-4	2.00	-1.2	CH-	0.0
0.16	0.00	50	-3	2.10	-1	CH	0.0
0.3	-1.00	55	0	2.20	-0.8	CH+	0.4
0.36	-3.00	81	-3	2.30	-0.6	PR-	0.8
0.46	-5.00	86	-4	2.40	-0.4	PR	1.2
		91	-6	2.50	-0.2	PR+	1.6
				2.60	0	0	
				2.70	0.2		
				2.80	0.3		

**Check-In Times and Procedures:** Address issues experienced in 2021 with birds entering the wrong classes, etc.

1. **CURRENT: Arrival Time:** Animals may be placed in cages beginning at 9:00 a.m. Saturday and must arrive by 4:30 p.m.
  - **PROPOSED: Arrival Time:** Animals may be placed in cages beginning at 9:00 a.m. Saturday and must arrive by 4:30 p.m. **Non-market poultry must arrive by 1:00 p.m. Market poultry must arrive by 4:00 p.m.**
2. **CURRENT: Check-In:** All poultry (including market turkeys) except market chickens and market ducks are to be checked in Saturday between 2:30 p.m. and 4:30 p.m. Breeding turkeys are to arrive the day of the show, but must be checked in during the Saturday check in time (the actual bird does not need to be present for the check in). Animals not checked in will not be allowed to show.
  - **PROPOSED: Check-In:** All poultry (including market turkeys) except market chickens and market ducks are to be checked in Saturday between **11:00 am to 1:00 pm in the breeding barn. All non-market poultry, except turkeys, must present their birds during check-in.** Breeding turkeys are to arrive the day of the show, but must be checked in during the Saturday check in time (the actual bird does not need to be present for the check in). Animals not checked in will not be allowed to show.
3. **CURRENT: Weigh-In:** Market Chickens and Market Ducks only – 4:00 – 5:00 p.m. Saturday, #50 Show Arena.
  - **PROPOSED: Weigh-In:** Market Chickens and Market Ducks only – ~~4:00 – 5:00 p.m.~~ **2:30 to 4:00 p.m.** Saturday, #50 Show Arena.
4. **CURRENT: PULLORUM TESTING REQUIREMENTS:** Per ODA rule 901:1-18-05. Pullorum testing will be available during check in at the fair.
  - **PROPOSED: PULLORUM TESTING REQUIREMENTS:** Per ODA rule 901:1-18-05. **All chickens and turkeys exhibited at the fair must present proof of origination from a Pullorum-free hatchery or be blood tested upon arrival.** Pullorum testing will be available for chickens only from 9:00 am to 11:00 am Saturday before the fair in the breeding barn. **The rapid test provided at the fair does not work for turkeys, therefore turkeys must provide hatchery paperwork or be tested by a vet prior to arrival.**
5. **CURRENT: Delete Special Rule #6:** All proof of purchase and hatchery certification documentation must be in the poultry committee's possession by the end of check-in/weigh-in on Saturday.
  - **PROPOSED: HATCHERY PAPERWORK** (list below Pullorum Testing in Junior Fair Book): **Photos or scans of hatchery paperwork for market poultry only must be e-mailed to (e-mail address TBD) on or before October 1. Hatchery paperwork must show purchase and/or hatch date and the Pullorum-free hatchery insignia. The e-mail must include the names of all exhibitors represented by the attached paperwork. Hatchery paperwork for non-market poultry will continue to be checked during check-in. For those purchasing from a reseller such as Tractor Supply or Rural King, receipts from the reseller do not meet the ODA requirements. The reseller should be able to provide you with the name and contact information for the hatchery where the birds originated, and you must contact that original hatchery to obtain the proper paperwork.**

**Senior Fair Board Requests c/o Chuck and Phil Miller:**

- **PROPOSED RELEASE TIME:** *The poultry committee would like to see the release times for poultry and rabbits aligned or at least overlapping. There are a lot of poultry exhibitors that also exhibit rabbits, and those exhibitors must arrive at different times to pick up animals. Having the times aligned or at least overlapping by an hour or two would help ease the load on those exhibitors. We would like to suggest staying with the 3-7 timeframe for both poultry and rabbits. This allows for animals to remain on the fairgrounds for fairgoers to see until mid-afternoon, but also allows exhibitors to get animals out before the evening rush starts.*
  - **Current Release Time on Poultry:** 3:00 p.m.—7:00 p.m. on the Saturday concluding the fair. No animals will be removed from the fairgrounds prior to the stated release time without approval from the Junior Fair Director or Senior Fair Board. Any exhibitor violating this rule will be barred from exhibiting that particular specie the following year. All animals must be removed from the barn on the Saturday closing the fair by 9:00 PM unless prior arrangements are made with the Poultry Superintendent.
  - **Current Release Time on Breeding Rabbit Barn:** after 12:00 p.m. and before 3:00 p.m. on Saturday.
- **Purchase of additional breeding poultry cages and stanchions**
- **Purchase new, larger water containers for market birds**
- **Move show and exhibitor meeting back to the #50 Show Arena**
- **House breeding poultry in the #15 barn in lieu of the #20 barn**

1. **Market Rabbit Identification/Home Grown Market Rabbit Tagging:** Reduce the number of tagged animals from 8 to 6. Will still offer exhibitor to have backup animal.
  - **CURRENT:** A maximum of 8 market rabbits are permitted to be tagged by each exhibitor.
  - **PROPOSED:** A maximum of 6 market rabbits are permitted to be tagged by each exhibitor.
2. **Market Rabbit Classes:** Continue with two divisions (fryer and roaster) for non-Home Grown and Home Grown Market Rabbits. However, do away with the over/under rule within the weight range of 7.00 and 15.00 pounds. This would allow an exhibitor to show 2 total market rabbit pairs in the same division.
  - **ADDITIONAL NOTES:**
    - Exhibitors can show a maximum of 2 pairs of market rabbits (in each of the two divisions or 2 in the fryer division or 2 in the roaster division).
3. **Under/Over Market Rabbits:**
  - **PROPOSED: All under/over market rabbit pairs will be sent home. This includes any pair weighing less than 7.00 pounds or over 15.00 pounds. Exhibitors with under/over market rabbits will receive a B grade.**
    - Rabbits under 7.00 pounds often show symptoms of being sick or end up passing away during fair week. With the potential respiratory virus that rabbits can get, this would be safer to all rabbits at the fair. Also, the packer does not wish to have rabbits under 3.5 or over 8 pounds (individual weight).
    - To align with other species and considering health concerns, the Rabbit Committee proposes that all under and overweigh market rabbits will go home at fair weigh-in and receive a B grade.
4. **General Rule # 6 Rabbits:**
  - **CURRENT:** Rabbit exhibitors may be disqualified if any straw, hay, or any other organic bedding is used. A resting board is allowed.
  - **PROPOSED:** Rabbit exhibitors may be disqualified if any straw, hay, or any other organic bedding is used. A resting board is allowed. **Timothy hay may be given if in the feed dish (for nutrition and dietary needs).**
5. **Additional Heat Ribbons for Rabbit Breeding**
  - **CURRENT:** Switched to heat ribbons in 2021 but did not have enough for all heats.
    - 1st & 2nd Place Ribbons, Does and Bucks Heat Winners (30 total ribbons)
  - **PROPOSED: Increase the number of ribbons to cover 40 total heats. Additionally, add 3rd Place heat winner ribbon.**
    - 1st - 3rd Place Ribbons, Does and Bucks Heat Winners (120 total ribbons)
    - Covers 40 blue/40 red/40 white ribbons (40 heats).
    - Sponsored by Pappy's Feed Store (current sponsor for heat winner ribbons).
6. **Additional 3rd Place Rosettes for Market Classes**
  - **CURRENT:**
    - 1st - 2nd Place Market Rabbit Heat Winners (total of 34 rosettes) - 17 heats
    - 1st - 2nd Place Home Grown Fryer Rabbit Heat Winners (total of 12 rosettes) - 6 heats
    - 1st - 2nd Place Home Grown Roaster Rabbit Heat Winners (total of 12 rosettes) - 6 heats

- **Included 29 heats of 1st and 2nd Rosettes (58 total rosettes) for all Market Rabbit Heats.**
- **PROPOSED:** The Market Rabbit Show has seen an increase in the number of exhibitors and pairs of rabbits and the number of heats during the Market Rabbit Show has therefore increased. **Increase the number of rosettes to allow for 55 heats of Market Rabbits (includes non-Home Grown AND Home Grown heats). Add 3rd place rosettes as heats have been placed up to 3rd place to be considered for sale order.**
  - **1st Place Market Rabbit Heat Winners (55 total rosettes) - adding 26 1st place rosettes**
  - **2nd Place Market Rabbit Heat Winners (55 total rosettes) - adding 26 2nd place rosettes**
  - **3rd Place Market Rabbit Heat Winners (55 total rosettes) - adding 55 3rd place rosettes to be sponsored by Cindy Gilfillen's 4-H Club, 4-Legged Friends**
  - **Includes 55 heats of 1st through 3rd Rosettes (165 total rosettes) for all Market Rabbit Heats**
    - **Net increase of 107 added rosettes.**
- 7. **Additional Rosettes for Junior Rabbit (Breeding Show):** Junior Breeding Show is getting bigger and they currently place up to 10 in the senior breeding and market shows.
  - **CURRENT:**
    - Grand/Reserve Champion Junior Buck/Doe - receive trophies (4 total)
    - 3rd through 5th Junior Buck/Doe - receive rosettes (6 total)
  - **PROPOSED:**
    - Grand/Reserve Champion Junior Buck/Doe - receive trophies (4 total)
    - 3rd through 10th Junior Buck/Doe - receive rosettes (16 total)
      - **Additional 10 rosettes sponsored by KKEZ.**

**Check-In Times and Procedures:** Address issues experienced in 2021 with birds entering the wrong classes, etc.

1. **CURRENT: Arrival Time:** Animals may be placed in cages beginning at 9:00 a.m. Saturday and must arrive by 4:30 p.m.
  - **PROPOSED: Arrival Time:** Animals may be placed in cages beginning at 9:00 a.m. Saturday and ~~must arrive by 4:30 p.m.~~ **Non-market poultry must arrive by 1:00 p.m. Market poultry must arrive by 4:00 p.m.**
2. **CURRENT: Check-In:** All poultry (including market turkeys) except market chickens and market ducks are to be checked in Saturday between 2:30 p.m. and 4:30 p.m. Breeding turkeys are to arrive the day of the show, but must be checked in during the Saturday check in time (the actual bird does not need to be present for the check in). Animals not checked in will not be allowed to show.
  - **PROPOSED: Check-In:** All poultry (including market turkeys) except market chickens and market ducks are to be checked in Saturday between **11:00 am to 1:00 pm in the breeding barn. All non-market poultry, except turkeys, must present their birds during check-in.** Breeding turkeys are to arrive the day of the show, but must be checked in during the Saturday check in time (the actual bird does not need to be present for the check in). Animals not checked in will not be allowed to show. 🍷
3. **CURRENT: Weigh-In:** Market Chickens and Market Ducks only - 4:00 - 5:00 p.m. Saturday, #50 Show Arena.
  - **PROPOSED: Weigh-In:** Market Chickens and Market Ducks only - ~~4:00 - 5:00 p.m.~~ **2:30 to 4:00 p.m.** Saturday, #50 Show Arena.
4. **CURRENT: PULLORUM TESTING REQUIREMENTS:** Per ODA rule 901:1-18-05. Pullorum testing will be available during check in at the fair.
  - **PROPOSED: PULLORUM TESTING REQUIREMENTS:** Per ODA rule 901:1-18-05. **All chickens and turkeys exhibited at the fair must present proof of origination from a Pullorum-free hatchery or be blood tested upon arrival.** Pullorum testing will be available for chickens only from 9:00 am to 11:00 am Saturday before the fair in the breeding barn. **The rapid test provided at the fair does not work for turkeys, therefore turkeys must provide hatchery paperwork or be tested by a vet prior to arrival.**
5. **CURRENT: ~~Delete~~ Special Rule #6:** All proof of purchase and hatchery certification documentation must be in the poultry committee's possession by the end of check-in/weigh-in on Saturday.
  - **PROPOSED: HATCHERY PAPERWORK** (list below Pullorum Testing in Junior Fair Book): **Photos or scans of hatchery paperwork for market poultry only must be e-mailed to (e-mail address TBD) on or before October 1. Hatchery paperwork must show purchase and/or hatch date and the Pullorum-free hatchery insignia. The e-mail must include the names of all exhibitors represented by the attached paperwork. Hatchery paperwork for non-market poultry will continue to be checked during check-in. For those purchasing from a reseller such as Tractor Supply or Rural King, receipts from the reseller do not meet the ODA requirements. The reseller should be able to provide you with the name and contact information for the hatchery where the birds originated, and you must contact that original hatchery to obtain the proper paperwork.**

### **What Should Be Included In A Lease?**

Every lease is unique in the items that must be covered to protect both the owner (lessor) and the youth (lessee). A lease should be drawn and signed by the owner and the youth to insure adequate care of the animal, protect the investment of the lessor, and to detail the responsibility of the youth in regards to caring for the animal. It is wise to have a written lease agreement any time you are using someone else's animal, even if the owner is a family member. A lease can assist in preventing misunderstandings and unhappiness between the horse's owner and youth leasing the animal.

We suggest the following issues, but not limited to these, be addressed in a lease:

1. Identification of the animal (name, registration number if registered); the name, address, and phone number of the youth (lessee) leasing the animal; the name of parent/guardian if the youth is under 18 years of age; the name, address, and phone number of the owner (lessor).
2. Who is responsible in case of injury or death to the animal. Who pays veterinarian bills, and what would be the maximum amount you are expected to pay in veterinarian costs if injury costs are your (lessee's) responsibility. In addition, if the animal is injured and unusable, who has to nurse the animal back to health? An owner (lessor) may require you to take out insurance on the animal with the owner as the beneficiary to cover possible loss due to the death of the animal.
3. Where the animal will be housed and who is responsible for the daily care of the animal; any feed, health care (i.e. deworming, vaccinations, etc), foot care, and/or special housing requirements made by the owner.
4. The purpose(s) for which the animal will be used, and that it can be transported at the youth's discretion to shows.
5. Any limitations that would be placed on the owner's use of the animal.
6. A statement on the time period covered by the lease and under what conditions and time frame the lease can be discontinued.
7. The owner should have a statement included relieving them of liability in cases of property damage, injury to the youth, or injury to a third party while the animal is under the lessee's supervision.
8. A place for signatures for the owner (lessor) and the youth (lessee) with a line for parent/guardian if the youth is under 18 years of age.

***The above mentioned issues are only suggestions, and we can not advise you as to specific terms or wording in a lease agreement.  
You may even want to consult an attorney.***

# 4-H/FFA Dairy Lease

**I. PURPOSE OF THE LEASE** – The purpose of this lease agreement is to provide additional positive learning experiences for the 4-H/FFA member that would have otherwise been unavailable.

To provide a youth with the opportunity of participating in the 4-H/FFA Dairy program when one or more of the following conditions exists:

1. The youth member does not have a suitable long care opportunity.
2. The family is unable to purchase a Dairy animal.

The lease is to be in place at least 60 days prior to exhibition (ORC 901-19-39) and be in effect until the end of the project. However, the county may require it be submitted at an earlier date (i.e. project enrollment deadline).

**Leasing MARKET animals for youth exhibition projects is NOT permitted under any circumstances.**

## II. RULES FOR LESSORS OF DAIRY TO 4-H/FFA YOUTH

1. The lessor (owner) of the DAIRY animal relinquishes all rights to train the animal, and the lessee has priority right to show the dairy animal during the term of the lease. Potential lessors should not lease dairy animals they want to show on a regular basis during the term of the lease.
2. An animal cannot be leased to more than one youth per project year.
3. The lessor may not take the dairy animal back prior to the end of the lease unless the youth is neglecting or abusing the animal, or the youth agrees to return the animal.
4. The lessor should have the youth sign whatever agreements they decide upon in regard to care of the animal, but no agreement will supersede the terms of this contract.
5. The lessor will allow the lessee to transport and show the animal in 4-H/FFA, open, or breed shows.
6. The leased animal cannot be consigned or sold through an auction or any other type of transaction, even if the owner or exhibitor “buys back” the animal.

If animal remains on lessor’s property during the lease, the lessor agrees to:

- Cooperate with the lessee in scheduling times to allow the member to work with/care for the animal(s) on the lessor’s property.
- Help the lessee better understand the dairy industry.
- Teach the lessee proper techniques in dairy animal care.

## III. RULES FOR LESSEES

1. The lessee is responsible for the daily care of the animal in whatever manner decided upon by them and the lessor. However, this must include major responsibility and performance by the lessee for this care.
2. The lessee will be responsible to write up an agreement in consultation with the lessor to cover who is responsible for expenses of care of the animal and who is liable in case of injury or death of the animal. Both the lessor and lessee must sign it, and a copy of that agreement be attached to this contract agreement.
3. Showing expenses will be the responsibility of the lessee.
4. The lessee is responsible to take this completed contract to the County 4-H Educator/FFA Advisor, at least 60 days prior to exhibition (ORC 901-19-39). However, the county may require it be submitted at an earlier date (i.e. project enrollment deadline).

**IV. DESCRIPTION OF DAIRY ANIMAL – Attach color photo of animal.**

# 4-H/FFA Breeding Animal Lease

**I. PURPOSE OF THE LEASE** – The purpose of this lease agreement is to provide additional positive learning experiences for the 4-H/FFA member that would have otherwise been unavailable.

To provide a youth with the opportunity of participating in the 4-H/FFA Breeding Animal program when one or more of the following conditions exists:

1. The 4-H/FFA member does not have a suitable long care opportunity.
2. The family is unable to purchase a breeding animal.

The lease is to be in place at least 60 days prior to exhibition (ORC 901-19-39) and be in effect until the end of the project. However, the county may require it be submitted at an earlier date (i.e. project enrollment deadline).

**Leasing MARKET animals for youth exhibition projects is NOT permitted under any circumstances.**

## **II. RULES FOR LESSORS OF BREEDING ANIMALS TO 4-H/FFA YOUTH**

1. The lessor (owner) of the breeding animal relinquishes all rights to train the animal, and the lessee has priority right to show the animal during the term of the lease. Potential lessors should not lease breeding animals they want to show on a regular basis during the term of the lease.
2. An animal cannot be leased to more than one youth per project year.
3. The lessor may not take the breeding animal back prior to the end of the lease unless the youth is neglecting or abusing the animal, or the youth agrees to return the animal.
4. The lessor should have the youth sign whatever agreements they decide upon in regard to care of the animal, but no agreement will supersede the terms of this contract.
5. The lessor will allow the lessee to transport and show the animal in 4-H/FFA, open, or breed shows.
6. The leased animal cannot be consigned or sold through an auction or any other type of transaction, even if the owner or exhibitor “buys back” the animal.

If animal remains on lessor’s property during the lease, the lessor agrees to:

- Cooperate with the lessee in scheduling times to allow the member to work with/care for the animal(s) on the lessor’s property.
- Help the lessee better understand the breeding industry.
- Teach the lessee proper techniques in breeding animal care.

## **III. RULES FOR LESSEES**

1. The lessee is responsible for the daily care of the animal in whatever manner decided upon by them and the lessor. However, this must include major responsibility and performance by the lessee for this care.
2. The lessee will be responsible to write up an agreement in consultation with the lessor to cover who is responsible for expenses of care of the animal and who is liable in case of injury or death of the animal. Both the lessor and lessee must sign it, and a copy of that agreement be attached to this contract agreement.
3. Showing expenses will be the responsibility of the lessee.
4. The lessee is responsible to take this completed contract to the County 4-H Educator/FFA Advisor, at least 60 days prior to exhibition (ORC 901-19-39). However, the county may require it be submitted at an earlier date (i.e. project enrollment deadline).
