In the construction business, I have been a Saw man, Crew leader, Crew trainer, Site superintendent and Company owner. I can build or rebuild residential or commercial buildings. I also worked for Buckeye Landscaping and a few other landscape companies. I would consider myself an intermediate gardener. There are many flowers and shrubs I am familiar with. I was a cook for Roots Restaurant under Orlow and Maggie Paff. I was a Licensed medical massage therapist for 6 years. And, I am currently a Beekeeper. While working for Rushville village I rebuilt a few Fire Hydrants, many septic tanks, set posts and signs, painted stripes down Main st, hung flags and various holiday decorations, removed trees from roadways after strong storms, cleaned out storm drains, dug and placed new drains, read water meters, set pole for Tornado siren, flushed Fire Hydrants, planted flowers on village properties, Mowed vacant lots and mowed around the septic lagoons.
